PROTECT YOUR FAMILY WITH INSURANCES FOR THE BANK PRODUCTS OF SOCIETE GENERALE EXPRESSBANK

In 2012 Societe Generale Expressbank continues offering different types of insurances for banking products, developed together with Sogelife. The insurances give the clients the opportunity to protect themselves and their families simply by adding protection to their bank products.

Among the offers are:

- **Protection together with your overdraft** – for less than 42 stotinki per month Spokoystive Insurance linked to overdraft protects the borrowers and their families from debts. Clients can be sure that with this insurance they will not indebt their families in case of unexpected accident.
- **Spokoystvie together with current and savings accounts** – these two products are fully in line with all customers' needs and their financial situation thanks to their different levels of protection and flexible methods of payment. They also provide the client with an unique cover in Bulgaria: Emergency lump sum (from 1000 to 4000 BGN) paid in 2 days after the event and submission of documents
- **Protection for your credits** - in case of unemployment, accident or sickness insurers pay the client's installments or the loan outstanding balance on his/hers behalf.
- **Comfort** – for your bank card. In case of loss or theft the insurance covers the cost of your personal documents and keys and in case of theft - the recovery of stolen cash and costs for a new mobile phone.

The new CEO of SOGELIFE Mr. Damien Marechal commented: "At SOGELIFE we focus on both individual and corporate life insurance products fitted to our clients' needs. We pay attention to the security and efficiency of all our products. Via the partnership with Societe Generale Expressbank, we are able to provide all our clients the opportunity to select the perfect combination between banking and insurance products."
